## WARRANTY INFORMATION FOR SERV-WARE PRODUCTS EQUIPMENT INSTALLED IN FOOD TRUCKS OR FOOD TRAILERS

Serv-Ware Products will honor all Warranty Statements as shown on the Serv-Ware Products website, including equipment installed on food trucks or food trailers.

Please note that some service companies require a food truck or food trailer be delivered to the service company's place of business before it can be serviced.

Be aware that our Warranty does not include, and Serv-Ware will not pay, any extra charges for labor resulting because a service company has to uninstall, disconnect or remove any equipment from the food truck or food trailer to be able to properly service Serv-Ware equipment. When the Serv-Ware Warranty Department is notified of a Warranty Service Request, and the equipment is on a food truck or food trailer, the caller will be made aware that if any extra labor charges are incurred that is not covered under warranty, then the end user or the food truck or food trailer manufacturer is responsible to pay any extra charges not covered under Warranty.

If you have any questions concerning this please contact the Serv-Ware Warranty Department at 1-800-768-5953.
